Clint Morris - *Asst. Secretary/Treasurer*

Beginning January 1st, 2026, our procedures for waste hauling into the Kelly Township Municipal Authority's Wastewater Treatment plant will be changing, please take note below to some key changes that could affect they way you are billed.

Applications:

All contractors will need to complete and return the yearly application, accompanied with proof of liability insurance. All applications and attachments should be received at the Authority office by February 1st of each year.

Hours of Operation:

Kelly township Municipal Authority will accept Monday through Friday 7:00 Am- 3:00 Pm, No Holidays or Weekends.

Plant Procedures:

The contractor will be required to fill out the WWTP provided Manifest and take a sample of the contents before any offloading begins.

- **ALL** waste entering the Treatment plant facility Must be sampled before offloading occurs, Failure to pull a sample will result in a charge of 0.15 per gallon.
- **ALL** Waste being offloaded MUST go through our screening process.
  (no offloading over the side of the digestors)
- If a mess is made during offloading, it is your responsibility to notify the office before leaving the property.

Accepted Waste:

General types of waste materials the WWTP accepts:

- Commercial and municipal waste
- Leachate
- Municipal sludge
- Residential waste from septic holding tanks
- We do not accept wastewater generated from fracking operations.
